### Why Register?

The money collected from the registration fees is used to pay for the hotel meeting rooms, coffee, speaker travel and lodging, pre-convention activities, printing of convention flyers and other related expenses. The fees from registration make this event possible, and the funds collected are used for the planning and implementation of present and future Alaska Regional Conventions. It is the support of each member's registration and/or donation that make our convention a success, and helps carry the message to the addict that still suffers.

Because registration provides the funds for the meeting space and all activities, everyone who attends any event, other than the scheduled NA meetings (which are free and open to all) is asked to pay the registration fee.

You may also register on the [www.akna.org](http://www.akna.org) website. **ALL MEALS MUST BE PAID BY 10/02/17**
