Approve the Minutes

**Reports:**

Chairperson - Paul  
Secretary - Gabe  
Treasurer - Bob  
Literature - Kip

Attended: Paul, Bob, Brett (from an airplane), and Kelly.

**Sharing Session:**

Share Away!

**Old Business:**

Check is in the regional account. Barrow gave 285. Money in regional account, Bob not a signer yet. Tony needs to take care of Regional bank stuff. 1700 bucks outreach. Next region meeting October 6.

Setting up an 800 zoom line will cost us money to get people from villages the the outreach meetings. 1400 through zoom. Cheaper through another 800 number service. End goal is nightly meetings, on calendar, with 800 number and zoom all set up.

Brett says there is very little participation with the stand alone zoom meeting. The hybrid meeting in Nenana combined with the zoom line is much better. Brett feels more a part of with hybrid than stand alone zoom. We haven't tried it in a big meeting.

It is brought up that we should be careful with zoom meetings so that they are not not set up poorly and so that people will come back.

Fairbanks Nooners isn't too into it. Bob homegroup member and so is Kelly. Bob suggests that the nooners start by doing it once per week.

Healy meeting starting may start up soon.

We don't need to worry too much about the 800 number until we get more participation from established groups.

Make business card with website, zoom info, email. Bring a small amount of cards to convention. Bob will send out a business card.

Sunday meeting. Need nooners church password.

Maybe get some local groups to host before next outreach meeting.

We received literature from Arizona. Lots of intro pamphlets and books.

Kelly suggests a device. Shawn or Kelly have laptops that can do it. Kelly's device would have a microphone, possibly a screen, he says sound and audio are important so people come back and aren't annoyed. Paul has a microphone. Speaker. We could try simulating it at the nooners.

Paul will test mics and speaker after Sunday meeting this week.

Bob will get host zoom 6 digit pin. This will be useful in case the Zoom meeting moderator has to mute a disruptive or accidentally noisy participant.

Get nooners church password. Bob will get it.

Extra phone. Can spin phone and mute people who don't mute themselves with zoom "dj".

### **New Business:**

Nominations/Action Items/Motions...

Next Meeting 7:00 pm September 24th.
