

To: Alaska Regional Service Committee of NA
From: Frank P. Regional Delegate
RE: 2018 WSC Report
Date: October 6, 2018

I am submitting 3 additional documents as my Report to the Alaska Region of Narcotics Anonymous. These documents/reports are for review and to be posted on the AK website for fellowship and individual member access. In addition I plan to have a Regional Delegate table at the convention where members from the fellowship at the convention can review material and ask the Delegate team questions.

The documents for review are as follows:

1. Outline of conference and Motions in New/Old business session of the conference. Each motion or strawpoll will show how the AK AD/RD team voted and report the strawpolls and final results. There is also other information in the outline such as PI/PR, fellowship development; and other WSC session information like FIPT, NAWS financial report/budget, membership survey, zones, world board elections and information about new proposal changes of how we do business at the WSC. Addendum A at the end of this document contain the minutes from the Western States Zonal Forum meetings that we had during the conference.
2. The motion & survey final tally sheet from submitted by the Alaska Regional NA Groups. We had 10 Groups submit tally sheets and the final tally sheet (the one that we added up from all 10 AK Groups) is for fellowship review. The final tally sheet guided the Delegate team how to vote in new business with the Delegate team splitting ties. New business was the overall sense/feedback that the Delegate team got from workshops, discussion with individual members, groups, RCM's, round table talks in Anchorage and Wasilla and from guidance pulled at Regional meetings prior to the conference. In total, there were 4 groups from GHA, 4 groups from Kenai Area and 2 groups from Anchorage Area who submitted Group tally sheets, with 2 additional Groups from Anchorage who submitted tally sheets late and we were not able to put into final vote at new business.
3. The final documents are the pick two results for the Recovery Literature, Service Material and Issue Discussion Topics. I also submitted the Zonal successes from the 2018 Regional reports and the Regional reports data overview. These documents are good to review so you can keep updated on how things are moving in NA, your Area and throughout the world!

If you have any questions about the material or report please send me an email or give me a ring.

In Fellowship,

Regional Delegate - Frank P.
