Reports

Secretary - Paul:

Please send your electronic reports to my email address so I can put them in the minutes.

Outreach - Paul:

Our last meeting was on the Zoom Line 6/10/19

From Washington/Idaho RD:

"The motion: "WNIR adopt and financially support fellowship Development in Alaska region by approving a one-time contribution of \$1,349.90. On going support will be evaluated in the future." Since there was no mention of what it would be specifically spent on (either in the motion or the intent of the motion) I say no further action is needed. I will report at our next RSC that phone line for outlying communities was not utilized as hoped. So a projector and mics will be purchased."

There are currently 2 Zoom meetings per week. The outreach committee is not conducting either meeting since they both have homegroup members making them true NA groups.

Dennis updated us regarding the translations: Athabascan translation estimate \$1200-1500. Translator works in Fairbanks. Language is more difficult than Yupik. The Yupik translation was \$1200. Yupik key tags are being investigated. Sally Fanson helped with Yupik translation. Yupik translation has been reviewed by Mandy's friend (an addict) and was well-translated. Dennis is in communication with a guy at World Services to make sure we are doing it correctly. Tlingit translation is also being investigated. Bethel and Nome have some Yupik stuff. Bethel seems like a good place to go for in person outreach. There is a large mental health facility. Kip and Paul could go to Bethel. Dennis has a phone number for a contact to the villages (Chiefs Group, Association of Village Council Presidents). An NA member has Bethel. Paul and Kip are willing to go to Bethel. All are in agreement. \$780 for two people round trip to Bethel in September.

Contact Pius (he doesn't live there anymore). Calling the facility to get in. Pricing Airfare. Lodging. Present to Region. Figure out Material to put together. Put together a presentation.

We have Zoom Meeting flyers.

Work with Juneau through the Zoom Line. Should someone go there? Zooming the upcoming convention. Or other events. Let Juneau know. Kenai just did a hybrid Zoom Meeting.

We are still working to put together group starter totes and figure out where we can send them. Kip put together a list. World improved starter list. Let's put together a final list. Lets get ahold of a couple starter kits with a small amount of supplemental stuff we want to add.

We are hoping to work on an advertisement for tv or radio or possibly a PSA to villages. We could try getting one running in Bethel once we go there and help them get going. Dennis has the files.

Some of our future outreach efforts may benefit from a committee business card, which is nearly complete. We are delivering literature to Fairbanks treatment centers. Nome is looking for literature. We need to contact them. There is a meeting there.

Our next meeting will be July 22, 7 pm

Old Business

New business

- H&I, PI, Literature all vacant position - no nominations
- Place card holder for WSLD, bid, cost? - Fairbanks says no. Anchorage will vote, but needs to drum up enthusiasm.
- Activate 1800 number for zoom to put on flyers for upcoming convention. Bob explains the cost is \$100 per month and he will further investigate so we can get it on the flyers. Convention or Outreach committee will cover the cost.
- Reallocation of fellowship development money. \$500 Projection equipment. Motion tabled while waiting for response from Kenai.

Shawn is a little confused about how to start his committee. Tony suggests contacting area PR and webservant.

Alan can host a Zoom PR meeting for education purposes.

Mady and Alan will be hosting PR/H&I Connect on the Zoom line.

Next Regional Meeting will be at the next convention October 12, 2:30 pm.
